Final Year Project (FYP)

Our final year project aims to elevate the university experience by introducing an innovative module called **"Alumni Connect"** into the existing university portal. This groundbreaking feature facilitates seamless communication between current students and graduates, fostering a collaborative and supportive university community.

Steps for Alumni

Step#1

After graduation, alumni are able to log in to the university portal using their roll number and CNIC (Computerized National Identity Card) credentials.

Step#2

Review About University
I recently completed my degree at **Riphah International University**, and I am pleased to share that my experience was exceptionally positive. The academic programs offered were of high quality, with engaging courses and knowledgeable professors who provided valuable insights. The university's facilities, including well-equipped libraries and modern classrooms, significantly contributed to my learning experience. Beyond academics, the sense of community on campus fostered a supportive environment, and I appreciated the diverse range of extracurricular activities available. The university's commitment to career services was evident through effective guidance and valuable networking opportunities. Overall, I would highly recommend **Riphah International University** to prospective students seeking a well-rounded and enriching educational journey.

Edit Profile

At the bottom of the profile page, there is an 'Edit Profile' button where alumni can update their profiles.

When they click on the 'Edit Profile' option, a modal window will open, allowing the alumni to edit their details.

Steps for New Student

First, the student will log in to the portal by entering their roll number, password, and CNIC

After logging in, the student's profile will open, containing all their details. Inside the profile, there will be a section dedicated to the alumni feature, where you will find an 'Explore' button for accessing this feature.

When a user clicks on the button, a new page will open. This page will have a search bar at the top and an option to select a department. In the search bar, students can search for skills they are interested in, and using the selection option, they can choose their department. Based on this selection and the search bar, alumni students matching the criteria will be displayed on cards.
